RIDE /LIKE NO OTHER™

Riding the open road with ease means the possibilities start and never seem to end. For you, and for the world of riders ready to take it all on.

With Can-Am Ryker, there's no holding back on anything, especially fun. You're set to feel more thrills every time you ride.

Easy to start, easy to ride, and easy on the eyes, you're able to enjoy the roads ahead and the freedom you'll find at every stop along the way.

Can-Am Ryker is your personalized ride in more ways than one with customizable visual and functional accessories, plus a simple tool-free way to adjust your riding style at any time.

Why just ride when you can Ride Like No Other?

RYKER™

THE 2019 CAN-AM RYKER

INTRODUCING A NEW WAY TO RIDE

PRICED TO EXCITE

An unreal ride at an unreal price. It's easy to get your Can-Am Ryker on the open road and ride your way. Visit canamryker.com for price details.

DESIGNED FOR FUN

Now that you can ride easy, you can let loose on the road with a dynamic riding experience. An optimized centre of gravity with a lower seating position ensures you can smirk through tight turns and own every curve.

RIDE EASY

Automatic, intuitive twist-and-go transmission and no gear shifting mean it's a breeze to unleash your Can-Am Ryker, whether you're a new rider or a motorhead. Add in peace-of-mind tech like a Vehicle Stability System (VSS) and you're always ready to ride with confidence.

MADE TO MAKE YOURS

Easy-to-add accessories like colour panels and hood accents transform your ride's visual style, while functional accessories switch up your ride with purpose. Add in tool-free adjustable foot pegs and handlebar and your Can-Am Ryker can adjust to anyone of any shape or size, and from one rider to two.

TECHED OUT

EASE MEETS EXCITEMENT
WITH BUILT-IN TECHNOLOGIES

TWIST & GO

With an automatic transmission and a reverse function, there's no gear changing and no worries. Just twist and go to get all of the performance you want with the fuel efficiency you need.

A FIT FOR YOU

Can-Am Ryker's industry-first tool-free UFit™ System helps you simply adjust your ride's foot pegs and handlebar to your height and riding style in under a minute, so you can get riding in no time.

ENGINEERED TO BE ECO-FRIENDLY

With a lighter vehicle thanks to minimal parts made of durable, recyclable materials, every single Can-Am Ryker is designed and engineered to be eco-friendly, so you get a more affordable vehicle with outstanding quality and a greener footprint.

ROTAX 900 ACE ENGINE

ROTAX 600 ACE ENGINE

POWERED BY ROTAX.

No matter what model you choose, you'll take on the open road with the power and performance of a proven Rotax 600 or 900 ACE™ engine.

STABILITY MEETS CONTROL

With a dual front wheel and single rear wheel design, you'll always ride with stability and control. The Vehicle Stability System featuring advanced tech like Anti-lock Braking System, Stability Control System, and Traction Control System, provides the confidence to ride easy. See more at [CanAmRyker.com/Technologies](https://www.CanAmRyker.com/Technologies)

MAKE IT ALL YOU

PERSONALIZE YOUR RIDE

① PICK YOUR MODEL

First, pick the Can-Am Ryker that's right for you and your style. Choose between the Can-Am Ryker for a dynamic on-road riding experience, or the Can-Am Ryker Rally Edition™ model to escape paved roads and discover new playgrounds.

③ ADD A TOUCH OF STYLE

Make them take notice of your Can-Am Ryker with unique style accessories made to swap out in no time. Add the colour panels, wheel accents, and hood that scream your style.

DOWNLOAD THE CAN-AM RYKER RIDE BUILDER

Download the industry-first Can-Am Ryker Ride Builder App, featuring Augmented Reality, to customize a ride you'll be proud to show off all day and all night. CanAmRyker.com/App

② POWER UP WITH AN ENGINE

Power up your Can-Am Ryker with the Rotax 600 ACE engine, or step up to the Rotax 900 ACE engine for more horses for increased performance. The powerful Rotax 900 ACE engine comes standard on the Can-Am Ryker Rally Edition.

④ ACCESSORIZE WITH PURPOSE

Transform your ride in no time with our extensive collection of functional accessories, including a Passenger Comfort Seat, Tank Bag, and Top Case, all designed with quick customization and added utility in mind.

THERE'S A RIDE FOR EVERY RIDER

CHOOSE BETWEEN TWO CAN-AM RYKER MODELS

SHOWN WITH ADRENALINE RED CLASSIC PANELS

CAN-AM RYKER

Rule the road with an adrenaline-charged on-road riding experience like no other.

Choose between two types of engine and get set for the perfect combination of peace of mind, stability, and performance.

SHOWN WITH INTENSE BLACK CLASSIC PANELS

CAN-AM RYKER RALLY EDITION

With versatility that knows no bounds and additional standard features, you can take your ride outside the lines. Feel the rush of sport style drifting in Rally Mode with protection from the unpredictable elements.

Adventure with a plussed-up fun factor and peace of mind when you take on the unpaved roads and make more playgrounds yours.

RULE THE ROAD

CAN-AM RYKER

All day and all night you've got everything you need and then some to take on the open road for the most exciting on-road riding experience you've ever had.

READY SET RIDE

CAN-AM RYKER

Regardless of riding experience, you're set to experience a thrill-seeking, personalizable experience like no other.

With a choice between a proven Rotax 600 or 900 ACE engine, you'll rule the road with increased performance and unparalleled reliability, thanks to the combination of power and control.

Add in personalization and customization options from top to bottom and you'll always feel the freedom of doing it all your way.

STANDARD FEATURES SET THE STANDARD

- Tool-free UFit system
- 11.4 cm wide Digital Display
- Glovebox space (7 L) including 2 USB ports
- Your choice of Classic Panel kit
- Eco Mode and Sport Mode with the Rotax 900 ACE engine
- Automatic transmission
- Vehicle Stability System

*Optional MAX Mount increases carrying capacity of goods and allows passenger capabilities with the optional Passenger Seat.

CHOOSE YOUR CAN-AM RYKER ENGINE

Rotax 600 ACE in-line 2 cylinders

Rotax 900 ACE in-line 3 cylinders

RIDE OUTSIDE THE LINES

CAN-AM RYKER RALLY EDITION

Take your ride off of the pavement and unleash it on even more playgrounds. Flip on Rally Mode for an unparalleled drifting experience on gravel, or whatever else comes your way.

GO FROM CITY TO GRITTY

CAN-AM RYKER RALLY EDITION

Push the limits of freedom off the pavement with the Can-Am Ryker Rally Edition.

With increased capability, versatility, protection and comfort, you're loaded with everything you need to easily own all roads. Damper allows 2.5 cm of extra suspension travel and preload adjustability on the rear. A rear carrying structure makes it possible to carry more along the way and add a second rider when the Passenger Seat is added. All-road adapted rally tires deliver higher durability and more precise response for improved handling.

READY TO RALLY

With a rugged yet stylish look, you can quickly escape the asphalt any time. Flip on Rally Mode for the ultimate way to unleash your Can-Am Ryker Rally Edition. You've got all of the capability needed to start drifting while in Rally Mode and take on the unpaved roads you didn't even know existed.

FEATURES

- Rotax 900 ACE in-line 3 cylinder engine
- Your choice of Classic Panel kit
- Front grille protection for the radiator against the unpaved
- Skid plate for protection underneath your vehicle against rocks and dirt
- Rally seat with extra foam for improved comfort on all roads
- Structural hand guards for even more protection against whatever gets thrown your way
- Front & rear suspension capable of taking on all roads
- Rear adjustable damper allows for extra comfort on unpaved roads
- All-road adapted rally tires with reinforced rims
- MAX Mount

STYLE YOUR RIDE

EASY-TO-ADD ACCESSORIES

Keep your Can-Am Ryker looking fresh ride after ride with unique style accessories designed to easily swap out, including panels, wheel accents, wheel decals, and hoods. Classic Panels come standard with the option to upgrade to the Epic or Exclusive Series.
